Re: Qualified Cogeneration and Small Power Production  
Facilities Purchase Tariff of Jackson Energy Cooperative Corporation

Dear Ms. Stumbo:

Please find enclosed for filing with the Public Service Commission an original and ten copies of the updated Qualified Cogeneration and Small Power Production Facilities Purchase Tariff of Jackson Energy Cooperative. This updated retail tariff incorporates the proposed updates to the wholesale Qualified Cogeneration and Small Power Production Facilities Purchase Tariff of East Kentucky Power Cooperative, Inc., in PSC Case No. 2008-00128. Jackson Energy Cooperative hereby provides twenty (20) days notice to the Commission, pursuant to 807 KAR 5:011 Section 6 (3) (b), that it proposes to make this revised tariff effective on June 1, 2008.

Jackson Energy Cooperative hereby requests a deviation, pursuant to 807 KAR 5:011 Section 14, from the notice requirements of 807 KAR 5:011 Section 8, on the grounds that Jackson Energy has no customers currently utilizing the tariff which is the subject of this filing, and that any publication of notice would involve considerable expense, and could require a delay of this filing.

Very truly yours,

Clayton O. Oswald  
Counsel for Jackson Energy Cooperative
